USE MEASUREMENTS ABOVE TO CUT OUT ALL PIECES. ALL PIECES SHOULD BE CUT OUT AS SQUARES.
USE TECHNIQUES IN INSTRUCTIONS TO CREATE TRIANGLES.
STEP 1
Create leaf blocks using the STITCH AND FLIP method. See example on page 6. Create 2 units by sewing together 3 pieces.

STEP 2
Create block using the HALF SQUARE TRIANGLE method. See example on page 6. Trim block to 3" square.

STEP 3
Create blocks using the STITCH AND FLIP method. See example on page 6.
STEP 4
SEW TOGETHER PIECES AS SHOWN BELOW.

PART 1

PART 2

PART 3

PART 4 (UNIT 3)

STEP 5
REPEAT STEP 3 FOR PINK BIRD

PART 1

PART 2

PART 3

PART 4 (UNIT 4)
STEP 6
Create blocks using the STITCH AND FLIP method. See example on page 6

CREATE 1

CREATE 1

STEP 7
Create blocks using the STITCH AND FLIP method. See example on page 6

CREATE 1

CREATE 1

STEP 8
SEW TOGETHER PIECES AS SHOWN BELOW.

PART 1

PART 2
(UNIT5)

PART 1

PART 2
(UNIT6)
STEP 9
Create block using the HALF SQUARE TRIANGLE method. See example on page 6. Trim block to 1 1/2” square.

CREATE 2
(USE 2)

STEP 10
SEW TOGETHER PIECES AS SHOWN BELOW.
STEP 11
Sew UNITS together as shown below.

UNIT 1  UNIT 3  UNIT 5  UNIT 7

UNIT 8  UNIT 6  UNIT 4  UNIT 2

STEP 12
Sew blue and pink birds together. Finished block should measure 12 1/2 (unfinished) 12” (finished)
HALF SQUARE TRIANGLE

With the lighter fabric on top, right sides together, layer the fabric squares needed for the half-square-triangle. Draw a line from corner to corner on the lighter square. Stitch a scant ¼" from both sides of the line. Cut apart on the marked line. Press towards the darker fabric. Each pair of squares will yield two identical half square triangle units. Trim squares to specified half square triangle size.

STITCH AND FLIP

(Do this technique on all boxes that have an * to create triangle)

Align a square on a corner of a larger square, a rectangle or a pieced unit as directed in the block instructions. From corner to corner mark a diagonal line on this square and make sure you place it slanting in the correct direction. Sew on the marked line. Trim the seam allowances to ¼" as shown. Flip the resulting triangle open and press.
