\*Press and cut each jelly roll strip into three 2.5" x 11" strips - these will be for the blocks. I like to put my colors together. Even though this is a scrappy quilt pattern, I like a little bit of control over where the colors end up.

\*Press and cut the 5/8 yard of striped fabric (24016-11) into 8 - 2.5" x WOF strips.  
Set 7 aside for binding.

Subcut the eighth strip into 3 - 2.5" x 11" strips - these will also be for the blocks.

\*Press and cut the 3/4 yard of center strip (24011-11) fabric into 10 - 2.5" x WOF strips.

Subcut into 30 - 2.5" x 11" strips (you will get 3 from each strip).

**DO NOT MIX WITH CUT JELLY ROLL STRIPS - SET ASIDE**

\*Press and cut 3 - 5.5" x WOF strips from backing fabric.

Then cut two 60" x WOF strips for backing, set aside.

**sewing instructions :**

Sew random jelly roll strips into pairs. You will have 60 pairs. Press seams open.

I prefer to pin the first block of each row before sewing so I always know which one is to the far left.

sew piles one to two and three to four, alternating directions as seen above

sew piles one and two to piles three and four, then sew blocks marked five to the end  
you should have six rows, each block alternating direction
