Betty's Baby Bowtie Quilt By PamKittyMorning

Original Recipe can be found at [www.modabakeshop.com](http://www.modabakeshop.com)

## Ingredients:

One charm pack of Hello Betty by Chloe's Closet for Moda  
1/2 yard Bella Solid Ivory (sku 9900-60) block background  
3/4 yard Bella Solid Betty Pink (sku 9900-120) alternating blocks

1/3 yard Bella Solid Betty Green (sku 9900-121) binding  
1 yard backing, batting 36 x 44

## Ingredients:

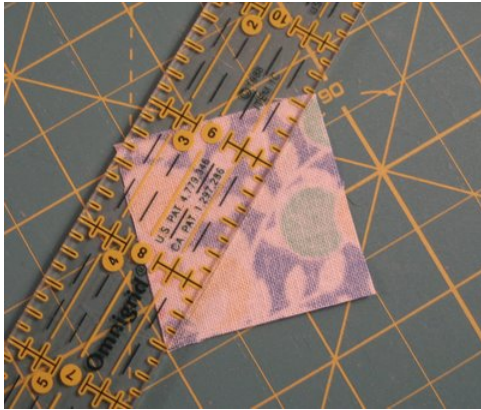

Select 32 charm squares from your Hello Betty Charm Pack.  
From each square cut (2) 2 1/2 inch squares and (2) 1 1/2 inch squares

Cut (64) 2 1/2 inch ivory squares

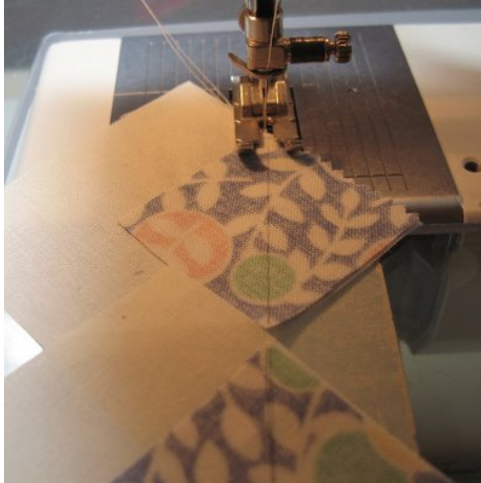

Cut (31) 4 1/2 inch pink setting squares

For each bowtie block you will need (2) 2 1/2 inch and (2) 1 1/2 inch bowtie squares and (2) 2 1/2 inch ivory squares

Draw a diagonal line on the wrong side of each of the 1 1/2 inch squares

Place a small square on each of the 2 1/2 inch background squares and sew on the line. These are your knot units.

Press towards the knot and cut away the back of the knot fabric in the middle, leaving the background piece.

Sew your block together as shown :

Press center seam open if desired, for a flat center

Make 31 more blocks! They're super fast. Set in 9 rows of 7 blocks alternating bows and pink setting blocks, using completed quilt as a guide. Layer and quilt as desired. This old fashioned quilt is perfect for grid quilting (on sample) or meandering! Bind with Betty Green Solid and enjoy!

## Yield:

One very cute old fashioned looking bowtie quilt 28 x 36 inches.
