## Instructions:

Step One:  
Gather all your ingredients.

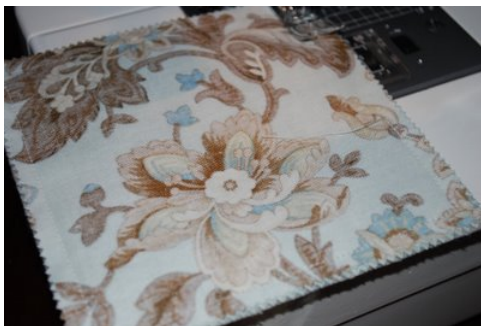

Step Two:  
Pick out two coordinating charm squares for each coaster.

Step Three:  
From your scrap batting, cut one 5" x 5" square for each coaster.

Step Four:  
Put two fabric squares right sides together and then align on top of a piece of batting.

Step Five:  
Sew a 1/4" seam around the coaster, leaving about 2-3" opening so you can turn the coaster right side out.

**Step Six:**

Clip the corners of the coaster before turning right side out so there is no bunching in the corners.

**Step Seven:**

Turn the coaster right side out and press. Stitch a 1/8" seam around all four edges of the coaster. This will close off the opening... no need to whip stitch closed.

Quilt the coaster as desired.

**Step Eight:**

This next step is optional. Determine what letters you want to place on each of the coasters. If you want to spell out a word that is shorter or longer than shown, then simply make the number of coasters needed to spell your word.

Place a little bit of the fabric paint on a paper plate and stamp into paint until covered. Gently stamp the letter onto the coaster and remove. Set aside to let dry.

**Yield:**

Coasters make great personalized gifts and pair up perfectly with the [Travel Mug](#). Enjoy!
