We are very excited to be sharing our first recipe on the Bake Shop! City Windows is a versatile runner that works great with any fabric style. We love it because it requires just one charm pack and an additional 1/2 yard of fabric to complete the entire project: front, back and binding! You'll want to keep this pattern on hand as you check out all the new Moda lines. Be sure to order a charm pack of your favorites!

Ingredients:

1 charm pack

1/2 yard background and binding

Garnishes (optional):

1/4 yard binding (only if you'd like something other than the background fabric)

Original Recipe can be found at www.modabakeshop.com

Instructions:

STEP ONE: Select *TWELVE* of your favorite charm squares (5" squares) from your fabric pack.

STEP TWO: Cut 5" squares in half so you have 24- 2 1/2" x 5" units

STEP THREE: Match up *TWELVE* pairs of 2 1/2" x 5" charm units.

STEP FOUR: Chain stitch pairs together along the 5" edge.

STEP FIVE: Press towards the dark. You should now have *TWELVE* units that measure 4 1/2" x 5"

STEP SIX: Cut units (4 1/2" x 5") in half again to make 24- 2 1/2" x 4 1/2" units

STEP SEVEN: Sew *THREE* pairs of 2 1/2" x 4 1/2" units together to make *SEVEN* groups of six squares. Alternate light and dark so that seams match up better.

Make SEVEN. Finished units should measure 4 1/2" x 6 1/2"

(please note: you will have a couple of 2 1/2" x 4 1/2" units leftover)

STEP EIGHT: Cut your background and binding. (WOF= width of fabric)

first cut: 1-5" x 18" subcut: 1- 5" x 5" square *AND* 4 units- 2 1/2" x 4 1/2"

first cut: 1 strip- 4 1/2" x WOF subcut: 4 units- 4 1/2" x 6 1/2"

first cut: 2 strips- 1 1/2" x WOF (sashing)

first cut: 3 strips- 2 1/2" x WOF (join for binding)

STEP TEN: Cut charms in half so you have *EIGHT* units that measure 2 1/2" x 5"

STEP ELEVEN: Pair up units as shown below, combining prints and background.

STEP TWELVE: Sew units together along 5" edge and press towards the dark.

STEP THIRTEEN: Cut units in half again so you have *EIGHT* units that measure 2 1/2" x 4 1/2"

Original Recipe can be found at www.modabakeshop.com

STEP FOURTEEN: Sew units together as shown. Finished squares should measure 4 1/2"
