Piece together blocks as follows for a total of 41 blocks.

From the setting triangle fabric cut 2—15 ½ x 44 inch strips cut into 4—15 ½ inch squares cut in half diagonally twice (setting triangles) and 2—8 inch squares cut in half diagonally once (corners).

Layout quilt as in picture 5 x 5.

Cut 8—6 x 44 inch strips for wide border. Piece together 4—6 x 88 inch strips then piece to sides first then top and bottom.

Cut backing in half and piece together to measure 86 x 90 inches.

Layer quilt with backing and batting and quilt as desired. I machine quilted Clover Cake with a variegated thread in an over-lapping free-style meander.
I machine quilt on a Juki, so i do not have a stitch regulator which makes some stitches longer.

From the binding print cut 8-2 ¼ inch strips.

Piece strips end to end.

Stitch strips down.

Roll strip around edge and stitch binding down--or hand stitch down on back.
