## Original Recipe

### Dot Dot Dash Quilt by Karen Maxwell

Hi, I'm Karen from Lisnaweary Quilts {[lisnaweary-quilts.blogspot.com](http://lisnaweary-quilts.blogspot.com)} and I'm delighted to share my second 'recipe' on the Moda Bake Shop with you. By adding some extra yardage of fabric to a jelly roll, I have made a generous single bed quilt. Just right for all those snowy, frosty days. Hoopla is such a bright and colourful range, its bound to brighten up your day!

### Ingredients:

- 1 Hoopla Jelly Roll
- 2 yds Moda Solid White Bleached 9900-98
- 1 1/2yds Hoopla green floral 32411-11
- 1yd Hoopla green check 32236-33
- 5yds Hoopla dot 32410-20

Original Recipe can be found at [www.modabakeshop.com](http://www.modabakeshop.com)

# Instructions:

From the jelly roll, pick out 15 strips - 5 sets of 3 strips.

Trim off selvages (strips should measure 42 1/2").

Sew together in groups of threes, along the length of strips.

From remaining 25 strips: cut two 2 1/2" x 2 1/2" squares from 11 strips and one 2 1/2" x 2 1/2" square from the remaining 14 strips - 36 squares in total.

**From background fabric cut:**

(12) 2 1/2" x 42 1/2" strips

(6) 2 1/2" x 13 3/4" strips

(3) 2 1/2" x 6 1/2" strips

(33) 2 1/2" x 3" strips

Sew a 2 1/2" x 3" white piece and 2 1/2" coloured squared together, then alternate white and coloured again until there are 4 coloured squares.

Sew strips together and press well.

1st Border: from green floral fabric cut (6) 6 1/2 x Width of Fabric.

First sew on top and bottom borders. Piece together and sew on side borders.

2nd border: from white solid fabric, cut (7) 2 1/2" x Width of Fabric.

Piece together and sew on quilt.

Sew remaining 25 strips from jelly roll together along length of strips, press well.

Some will be different lengths.

Fold over, right sides together. sew 1st and last strips together.

This makes a sort of tube!

Trim off selvages.

*Original Recipe can be found at [www.modabakeshop.com](http://www.modabakeshop.com)*

Cut the tube into 2 1/2" strips.

Now there should be a hoop- la!!

Unpick one of the seams anywhere in the hoop.

Sew on 4 more squares; this gives a strip of 29 squares.

**Make 4 of these strips.**

Make four more strips in a similar way, this time make sure you have **45** squares in each strip!

For top and bottom chequered border, sew two of the 29 square strips together along the length of the strip.

Repeat for side borders using **45** square strips. Press well.

Pin top and bottom borders to the quilt top.

Sew in place.

Nearly there....

Pin and sew chequered border to sides of quilt top.

*Original Recipe can be found at [www.modabakeshop.com](http://www.modabakeshop.com)*

Layer backing, wadding and quilt top. Quilt as desired. Sew on binding. Remember the quilt label!
