Cutting Instructions

Press all fat quarters and trim sides even before cutting.

Cut the following for the quilt block assembly. Stack the fabric strips to make cutting faster.

8 background prints - Cut 1 (3, 8) 4 1/4" strips, cut into 3 (9, 30) 4 1/4" squares.

Cut each square on both diagonals to make 4 quarter triangles.

Cut 2 (4, 12) 3 7/8" strips, cut into 6 (18, 60) 3 7/8" squares. Cut each square once on the diagonal. When making larger quilts or all the projects use leftover strips to get the quantity desired.

8 yellow prints - Repeat cutting instructions as background prints.

8 blue prints - Repeat cutting instructions as background prints.

Stack the triangles by size and color.

Borders and Binding

1st Border - 3 (4, 6) 2 1/2" strips WOF

2nd Border - 3 (4) 4 1/2" strips WOF
(8) 5 1/2" strips for lap quilt WOF

Binding - 3 (5, 7) 2 1/4" strips WOF

Block Assembly

Sewing the center square. Take one small blue and one small yellow triangle, sew them together following images below. Sew a total of 3 (9, 30) center squares. Set aside.

Sew each large blue and yellow triangles to a background triangle to make half square triangles. You should have 6 (18, 60) blue half square triangles and the same amount for the yellow half square triangles.

Sew the small yellow and background triangles together (6, 18, 60).

Repeat for the small blue and background triangles (6, 18, 60).

Sew the quarter square triangles to each blue and yellow triangle.

Sew the block together following the images. Sew a total of 3 (9, 30) blocks.

For the table runner, sew 3 blocks together horizontally.

For the wall hanging, use a 3 x 3 layout.

For the lap quilt, use a 5 x 6 layout.
