Lawn Chair Quilts by Monica Solorio

Lawn Chair Quilts

Yield **TWO** 48" x 75" finished quilts

by Monica Solorio-Snow of Happy Zombie {<http://thehappyzombie.com/blog>}

Great quilt for the beginner quilter, and fun for the experienced quilter. No triangles or biased edges... no points to be perky, and no seams to meet up. Perfect for a retreat project - fun and fast. Especially fun if you're enjoying a quilt retreat with a picnic on the lawn.

Instructions are based on 42" - 44" width of fabric

All seams ¼"

Picnic not included

Ingredients:

- 1 Jelly Roll of It's a Hoot by MoMo (or 32 - 2½" strips)
- 2 Jelly Rolls of Moda Bella Solid (or 4¾ yardage, cut into 64 - 2½" strips)

For each quilt:

- 54" x 81" batting
- ½ yard binding
- 2¼ yard backing

Instructions:

1. Divide It's a Hoot strips into color groups:
16 strips of pinks, reds & yellows with 32 strips of solid
16 strips of blues & greens with 32 strips of solid

Original Recipe can be found at www.modabakeshop.com

2. Working in one color group at a time, set aside one color group to be assembled after completion of first color group.

3. Join a solid strip to each side of the *It's a Hoot* print to make a 3-piece unit. Press to the print. Make 16.

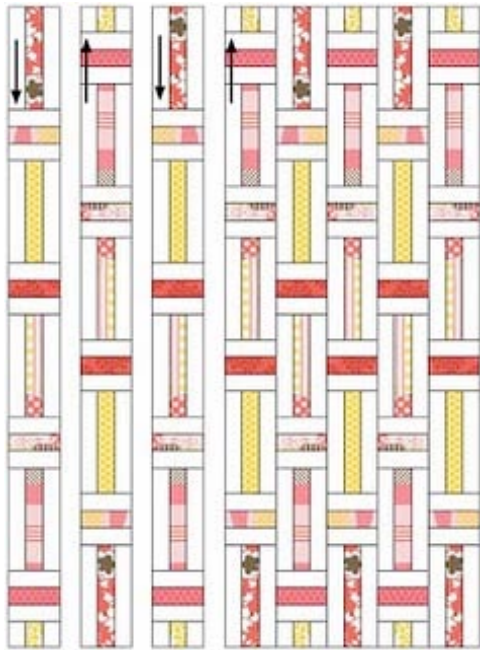

4. From each of the sixteen 3-piece units, cut:
- 2) $12\frac{1}{2}$ " x $6\frac{1}{2}$ " units
 - 2) $6\frac{1}{2}$ " x $6\frac{1}{2}$ " units
 - 1) $3\frac{1}{2}$ " x $6\frac{1}{2}$ " units (from eight 3-piece units only)

5. With assorted print units, assemble row as per diagram. Press. Make 8 rows.

6. Join rows to complete the quilt top, alternating each row in an opposite direction. Press. Layer, baste, quilt and bind.

7. Repeat steps 3 - 6 for second color group quilt.

Yield:

Yield TWO quilts - or one if using one of the tops as your backing.
Happy summering!
