BAKESHOP

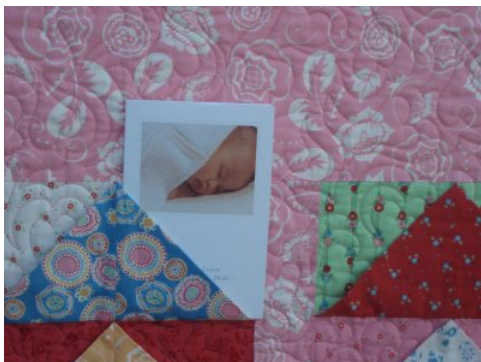

Original Recipe

Lucy Goosey in 3D by Angie and Weezie

This is a fun 3 D project (your geese are dimensional). Quick to make and what kid doesn't love playing with tags and flappy things? This one is made for a little girl.

It would be a great shower gift to display cards in, or..... baby shower gifts.

Original Recipe can be found at www.modabakeshop.com

Ingredients:

2 Charm Packs (72 charms, 36 matching pairs)
3/4 yard of coordinating fabric for borders
1 1/4 yard for backing
1/3 yard binding

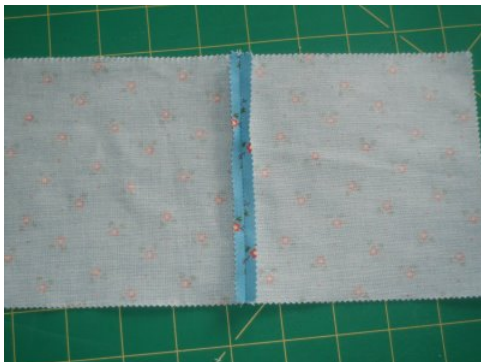

Garnishes (optional):

New needle (you'll be stitching through several layers at a time)

Instructions:

Unit A: take 2 matching charms and sew together. Make 18 pairs.

Press seams open.

Fold wrong sides together. This is *unit A*.

Sandwich *unit A* between 2 matching charms. Place the first charm right side up. Place unit A putting the fold towards the top. Sides and bottom will match, the fold will be 1/4" from the top edge. Place the second charm right side down.

Sew along one side.

Open....

Pull the center portion so your block looks like this.

I pinned the bottom corners and the center and finger pressed the seam open - repeat to make 18 flying geese units.

Sew into 3 rows of 6.
