Original Recipe

Oh Cherry Oh Table Runner  
by Nadine of Material Girls Quilts

Original Recipe can be found at [www.modabakeshop.com](http://www.modabakeshop.com)

## Ingredients:

- \* 1 charm pack - featured here is Oh Cherry Oh by Me and My Sister
- \* 2 ~ 5" x 20" strips of Moda Bella Solids (I used color 98)

## Garnishes (optional):

- \* 8 Coordinating buttons
- \* 1 yard of your favorite rick rack or trim.

## Instructions:

\*Choose 24 of your favorite charms. Lay them out in 6 rows of 4 charms, sew in to rows (4 charms) until you have completed all 6 rows. Then press the seams for the rows ~1 row right~2nd row left and repeat this for all 6 rows

\*then join your rows together (this should be 4 charms wide 6 charms long)

\*Now choose 8 more charms ~this will be your prairie points. Fold charm diagonally (point to point) and press

\*fold over one more time diagonally and press again,

\*then pin the prairie point to the end of the runner and baste on with about 1/8" seam. Points must be facing the center of the runner.

\*Now cut the white fabric 5" x 20" and sew to the end of the runner (this seam will catch your prairie points)

\*now press the white & the prairie points, so now the points should be pointing to the edge of the runner.

\*Now its time to add the trim and the buttons. Sew an 18" piece of your favorite trim across the seam that joins the white/prairie points to the charm squares. Then add your favorite buttons to the ends of the points.

\*I added my embellishments after my runner had been quilted. It depends on who is quilting for you when you add these. This is such a fun runner to make! Quilt and bind as desired! You are done my friend!

### Yield:

This makes a bright cheery table runner that is sure to brighten your day. Measures 18" x 36. Have fun with it and be creative!

Enjoy!

Nadine
