Original Recipe

 Moderate

Hello from Jo and Kelli at [Jo's Country Junction](#). If you've read our blog, you know that we are farm gals and our guys are farmers. When we saw Moda's new line "Oink a Doodle Moo", we just knew we had to design something using it. We live, breathe, eat and sleep farming...we might as well sew it too!

We ended up with not one, not two, but THREE baby quilts all from one jelly roll!!! Isn't that neat? After you read the tutorial, you'll want to come over to [our blog](#) and sign up for a chance to win a free jelly roll to help you get started on your own set of quilts. Read on and we'll show how to make them.

Original Recipe can be found at www.modabakeshop.com

- Subcut 4 strips to yield a total of 20-6 1/2" x 2 1/2" rectangles.
 - Subcut 2 strips to yield a total of 20-2 1/2" squares.
 - Subcut 2 strips to yield a total of 20-2 1/2" x 3 1/2" rectangles.
 - Save 5 strips for outer border. From the white fabric, cut 5-2" x WOF strips.
8. From the printed red fabric, cut a total of 7-2 1/2" x WOF strips. I fussy cut the printed fabric so that it looked like the tractors and other farm vehicles were "driving" around each of the panel blocks.
 - Subcut 3 strips to yield 8-2 1/2" x 10 1/2" strips.
 - Subcut 4 strips to yield 8-2 1/2" x 14 1/2" strips.
 9. From the binding fabric, cut 5-2 1/2" x WOF strips.

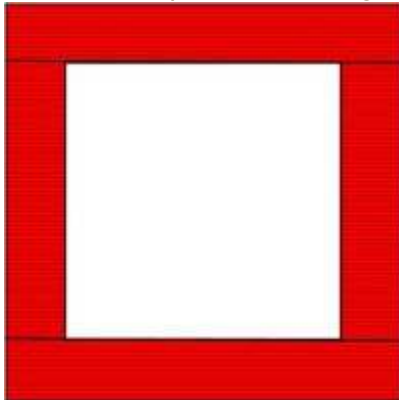

Sewing Blocks:

1. To make the half-square triangles (star points), pair a white 3 1/2" strip with a 3.5" printed strip. Place pieces right sides together. Using an easy angle ruler, cut each set to yield 2 half square triangles. Sew on the diagonal and press to the printed fabric. If you don't know how to use an easy angle ruler [follow this link for instructions](#).

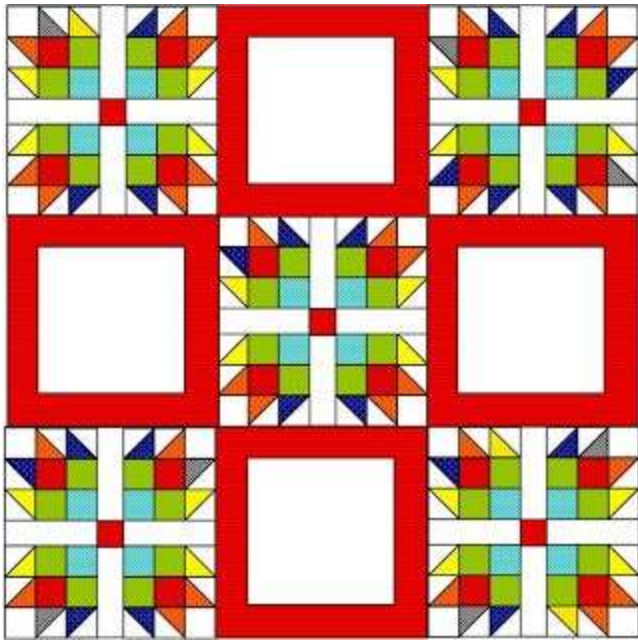

2. Assemble each of the star blocks as shown. Use the same green, red, and blue squares throughout each of the individual blocks. Use the half-square triangles randomly through each of the blocks.

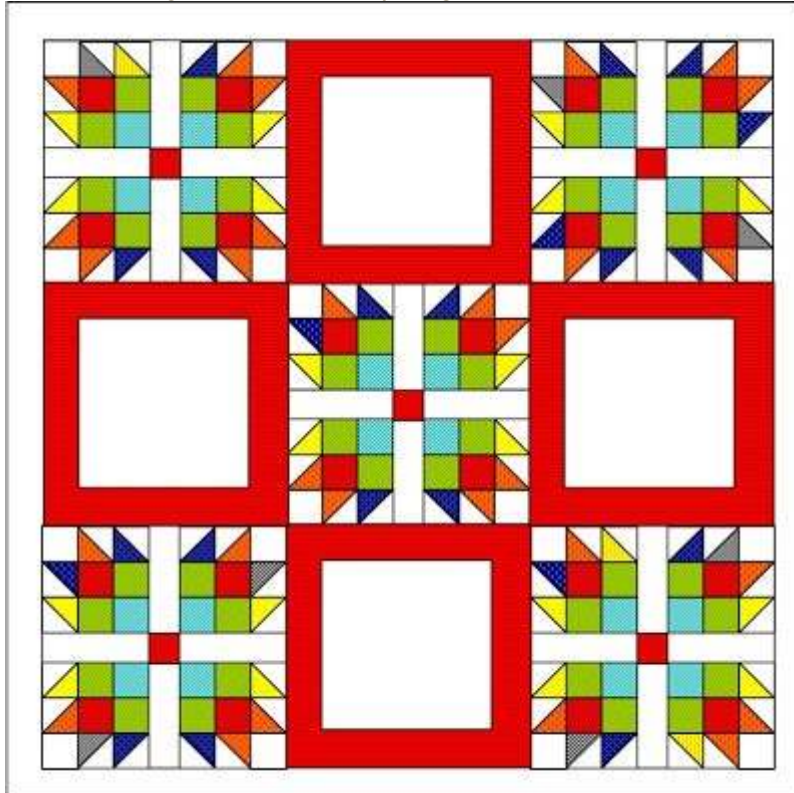

3. With right sides together, stitch the 2 1/2" x 10 1/2" to opposite sides of each of the 4 panel blocks. Press to the red border. 4. Attach the 2 1/2" x 14 1/2" rectangles to the remaining sides of each of the 4 panel blocks. Again, press to the red border.

5. Assemble the quilt as shown below.

6. Sew the remaining 2 1/2" white strips together. Sew to the outside for a

border.

7. Quilt as desired and bind with the 5-2 1/2" x WOF strips.
