Pink with a Splash of Orange Quilt by Jane Davidson

Hi, I am Quiltjane {[quiltjane.blogspot.com](http://www.quiltjane.blogspot.com)} and I am happy to be back baking for the Bake Shop. Today I am presenting a very simple baby quilt using a combination of Bella solids, one Cape Ann charm pack and yardage of Cape Ann brushed cottons to create a subtle texture and cosy feel to the quilt.

The dictionary definition of 'Brushed cottons' is: "*Cotton fabric that is brushed to remove all the excess lint and fibers from the fabric, leaving an ultra soft, smooth finish*" The brushed cotton fabrics were beautiful to cut and sew, making the perfect combination for a cuddly quilt fit for a baby.
