Ingredients:

Featured Fabric Collection - Patisserie by [Joanna Figueroa](#), Fig Tree Quilts for [Moda](#)

One Moda Charm Pack -- forty 5" charm squares

3/4 yard background and binding

1/4 yard inner border

3/4 yard outer border

[Marti Michell](#) Perfect Patchwork Templates Set G - Small Hexagons Plus.

Original Recipe can be found at www.modabakeshop.com

Instructions:

Using the large hexagon template #42 included in the [Marti Michell](#) template set and the 5" charm squares, cut out a total of 39 hexagons.

Cut four strips 2 1/4" by 42" from the background fabric. Using the large triangle template #45 from the Marti Michell template set, cut a total of 76 triangles.

Sew the hexagons and the triangles together as shown below. Make four of Block A, two of Block B and thirty-three of Block C.

Sew the blocks into rows as illustrated here.

Sew the five hexagon rows together to create the center of the Sugar Cookies table runner.

From the inner border fabric cut two strips 1 1/2" by 28", two strips 1 1/2" by 13" and two strips 1 1/2" by 14".

Sew one of the 1 1/2" by 28" strips to each side of the table runner center. Following the shape of the table runner center, trim the inner border.

Sew one 1 1/2" by 13" inner border strip to one end of the table runner center and trim, following the table runner shape. Repeat this step with the opposite end of the table runner.

Sew one 1 1/2" by 14" inner border strip to one end of the table runner center and trim following the table runner shape. Repeat this step with the opposite end of the table runner.

From the outer border fabric cut two strips 4" by 31", two strips 4" by 19" and two strips 4" by 22". Follow the steps above to sew on and trim the outer border.

Yield:

Finishes 26" by 46" - Quilt and bind!
