Original Recipe

Vintage Ribbons Table Runner by Rachel Griffith

to market, to market!!!
rumor has it that rouenneries is going to be quite the star around market booths this weekend.
to celebrate with us, whip up your very own vintage ribbons table runner!!!
{if you are joining us at market, stop by the moda booth to see my table runner in person!!!}

Ingredients:

11 rouenneries by french general fat quarters
20 x 44 batting

Original Recipe can be found at www.modabakeshop.com

Instructions:

pick out 11 of your favorite fat quarters.
keep in mind that you want contrast and some solid prints.

from fat quarter #1:
cut three 6 1/2" squares.

from fat quarter #2:
cut six 2" x 6 1/2" strips & six 2" x 9 1/2" strips.

from fat quarter #3:
cut four 3 1/2" x 9 1/2" rectangles & twelve 2" x 3 1/2"
rectangles.

from fat quarter #4:
cut six 3 1/2" x 9 1/2" rectangles.

Original Recipe can be found at www.modabakeshop.com

from fat quarter #5:
cut eight 3 1/2" squares.

from fat quarter #6:
cut eight 2" x 9 1/2" strips & four 2" squares.

from fat quarter #7:
cut sixty-four 2" squares.

from fat quarters #8-#11:
piece fat quarters #8, #9 & #10 together for your backing.
cut your binding from fat quarter #11. {seven 2 1/2" x width
of fat quarter strips.}

take one of your 6 1/2" square and add two of your 2" x 6
1/2" strips to the top & bottom of it.
then add two of your 2" x 9 1/2" strips to the sides of it.
you will make a total of 3 of these.

take one of your 3 1/2" x 9 1/2" rectangles and layer one of your 2" squares on top.
stitch from corner to corner.

*note to add: feel free
to draw a diagonal
line across your 2"
square to have a
stitching guide.
open up your triangle
and press.
repeat for the other
side.*

Original Recipe can be found at www.modabakeshop.com

you should now have ten completed star point units, like so. now take your twelve 2" x 3 1/2" rectangles and make twelve flying geese units using the same method as the star point units.

now we can begin constructing your blocks. follow my picture diagram to complete your first block. then add your consecutive pieces by adding on to this unit.

we will now piece your borders. for your top & bottom borders, follow this pattern: flying geese unit, 2" x 9 1/2" strip, flying geese unit, 2" x 9 1/2" strip, flying geese unit, 2" x 9 1/2" strip, flying geese unit.

add these to the top & bottom of your quilt top.

for your two side borders follow this pattern: 2" block, flying geese unit, 2" x 9 1/2" strip, flying geese unit, & 2" block.

add these to the sides of your quilt top.

your quilt top should now be completed and it should look like this.

layer, baste, quilt {as desired} & bind.

Yield:

you are now the owner of one amazing 18 1/2" x 42" table runner.
{that's before washing.}

this little table runner would be perfect in loads of fabric lines.
not to mention it's reversible!!!

hope yall enjoy!!!
