**Cutting:**

Single Background ~ Cut the following:

- Cut 8 strips - 10" x 42" wof. Cut 4 squares - 10" x 10" - from each strip for 32 total squares.
- Cut 8 strips - 4½" x 42" wof.

Four Backgrounds ~ Cut the following from each:

- Cut 2 strips - 10" x 42" wof. Cut 4 squares - 10" x 10" - from each strip for 8 total squares from each fabric.
- Cut 2 strips - 4½" x 42" wof.

**Assembly:** After making the half-triangle squares - HTSs - all seams are a scant ¼".

Layer 1 Print and 1 Background square - 10" x 10" - with right sides together. Make 32 pairs. Pin the paper on top of the lighter fabric and stitch on the dotted lines - stitch 32 recipe cards.

Cut the grid apart on the solid lines - use the outside line for the 4" finished HTS. Press the seams to the darker fabric with paper still on. Remove paper. Trim the points!

Mandarin was made using Block 1 on the cover... but the alignment is reversed.

Join 4 - 4" finished HTSs with a scant ¼" seam allowance to make the small blocks. Each small HTS block was made using a single background - this is optional. Join two small HTS blocks with two 8" finished HTSs to complete each large block. Make 16 blocks. (Or simply piece the 8" HTSs and pieced blocks in rows.)

Using the 16-block layout on the inside cover, lay out the blocks in four rows of four blocks each. Join the blocks to make rows - press the seams in one direction.

Join the 4½" x 42" wof strips to make a long strip. (I used a diagonal seam.)

Cut the following lengths:

Sides: Cut 2 strips - 4½" x 64½".

Top & Bottom: Cut 2 strips - 4½" x 72½".

Join the border strips to the sides of the quilt - press the seams toward the border. Now join the top and bottom borders to the remaining sides of the quilt - press the seams toward the borders.
