Ingredients : 4 c. chocolate
- dark, semisweet, milk or white
- morsels or chopped
2 c. assorted ingredients/toppings

Line a baking sheet with parchment paper.

- Use a pan with sides like a jelly roll or half sheet pan.

In a double-boiler - or a bowl over water - begin melting chocolate. The water should not touch the pan or bowl.

Be careful not to get the chocolate too hot - slow is good. Stir frequently - but not too much.

As soon as the chocolate is completely melted, remove from heat and stir slowly to cool just a bit.

Pour chocolate onto pan with parchment. Spread with a spatula - offset is perfect.

Evenly distribute toppings over chocolate. Press gently into chocolate.

Transfer pan to refrigerator to set. One hour is good - longer is better.

Remove parchment. Break bark into pieces.

My favorite part of making Chocolate Bark is the option to mix it up - change the "flavor" as I go along. Like blocks. And Sampler Quilts.

All Bark was made with Maren by Basic Grey.

FABRIC REQUIREMENTS:

- 1 Maren Layer Cake
- 3³/₄ yds. Background - grunge!
- 5/8 yd. - Binding
- 5 yds. - Backing

CUTTING: From the background, cut -

- 8 strips - 10" x 42" wof. From the strips, cut 32 squares - 10" x 10".
- 1 strip - 16¹/₂" x 42" wof. From the strip, cut 16 rectangles - 2¹/₄" x 16¹/₂".
- 1 strip - 18¹/₄" x 42" wof. From the strip, cut 16 rectangles - 2¹/₄" x 18¹/₄".
- 8 strips - 2¹/₄" x 42" wof. Join the strips to make a single, long strip.

cont.

From the single, long strip, cut:

- 2 strips - $2\frac{1}{4}" \times 71\frac{1}{2}"$ - for the side borders.
- 2 strips - $2\frac{1}{4}" \times 75"$ - for the top and bottom edges.

Stitch 32 Recipe 4 recipe cards - 1 background and 1 Maren print $10" \times 10"$ squares.

Cut apart grid on $4"$ finished HTS line - outer line. Press. Remove paper. Trim the points!

Using the blocks shown in the picture, those in the Magic Bars 4 recipe or a creation of your own, make 16 blocks - $16\frac{1}{2}" \times 16\frac{1}{2}"$ with seam allowance.

On one side of each block, join 1 - $2\frac{1}{4}" \times 16\frac{1}{2}"$ strip. Press the seam toward the strip.

On the adjacent side - going clockwise, join 1 - $2\frac{1}{4}" \times 18\frac{1}{4}"$ strip. Press the seam toward the strip.

Layout the blocks in four rows of four blocks each - alternating the position of the side strips.

The side strips should be next to the adjacent block, not next to the side strips.

Join the blocks to make rows — press the seams in one direction — toward the side strips.

Join the rows to complete the top. Press the seams in one direction.

Attach the side borders — $2\frac{1}{4}'' \times 71\frac{1}{2}''$ to the sides of the quilt top. Seams get pressed toward the border.

Top & Bottom? $2\frac{1}{4}'' \times 75''$ — press to the borders.

Done.

Now it's time to quilt and bind as desired.

And relax with chocolate bark.
