Combine 1 c. sugar, flour and baking powder and stir.

Add salt and lemon zest - mix well.

Bake at  $375^{\circ}$  for 45 to 50 minutes - until top is lightly browned.

Cool completely.

Cut into 24 bars - approx.  $1\frac{1}{2}$ " x 3"

\* Store bars in airtight container - they're best when they're cold.

It's all those beautiful shades of deep, rich blue... or maybe I was just craving Blueberry Crumb Bars.

Blueberry Crumb is made with True Blue by Brigitte Holland of Zen Chic. And a bit of Grunge and some Moda Denim.

cont. From the remainder, cut 4 squares -  
10" x 10".

Stitch at least 39 RecipeCards - Recipe 4.

A few extra is recommended for variety.

- For this quilt, the denim and yellow-gold Grunge  
10" x 10" squares were randomly mixed with  
white and light print squares from True Blue.

And the wrong side of the Denim was also used -  
for color variation and just for fun.

Cut grids apart on the 4" finished HTS line - the  
outer line.

Press. Remove paper. Trim the points.

Lay out the HTSs in diagonal rows as shown in  
the picture.

NOTE: The white/light half of the HTSs changes  
near the outer edge randomly. Using some of  
the lighter HTSs helps the transition. This is  
optional - but it was done so there is a good contrast  
with the denim setting triangles.

The setting triangles have been purposely cut a skosh  
large for trimming after quilting. ♡

Corners: Each corner is made up of 2 "side setting triangles".

If it helps - the number of HTSs in each diagonal row is:

2 4 6 8 10 12 14 16 18 20 22 24 26 28 30 32 34 36 38 40 42 44 46 48 50 52 54 56 58 60 62 64 66 68 70 72

Join the HTSs and triangles to make rows. Press seams in one direction or press them open.

Join the rows to complete the top. Press the seams in one direction or press them open.

Staystitch the outer edge  $\frac{1}{8}$ " from the edge to stabilize it for quilting.

Quilt and bind as desired.

HTS Blueberry Crumb Bar time!
