Living among the cotton blossoms of Cottonwood Hollow definitely left its mark on new designers

Bonnie of Cotton Way & Camille of Thimble Blossoms.

This mother / daughter team is excited to introduce their first line of fabric, full of florals, vintage prints, and even a touch of retro. Cotton Blossoms blends trendy with traditional, and is definitely a collection that brings generations together. Cotton Blossoms uses the same prints in two color ways to capture the close and yet unique aspects of this mother/daughter relationship in one fabric collection.
