

Folk Art Holiday

Gina Martin

Hygge -- a Danish word meaning a sense of well being or pleasure that is found in the simple things is part of the inspiration for **Folk Art Holiday**. Imagine a winter of deep snow, northern lights and the coziness of hot chocolate sipped by the fire inside. Nordic inspired holiday prints in a modern color palette might get us there! Christmas motifs like doves, holly, and berries blend cleverly with straw snowflakes, damask, and wood graining for a unique collection that will help you put hygge in your holiday quilts and projects.
