MARCH 2017 BUCKET

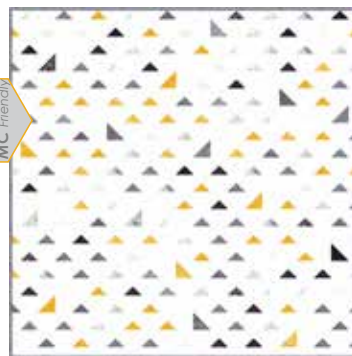

Taken from Scandinavian interior style, the color palette contrasts the lightness of white with the darkness of charcoal, and bridges this gap with hues of silver and graphite and a warming saffron. The delicate fine-line patterns speak the language of fragility: flimsy blossoms flittering in the air, a net of little dots and thin stripes, fragments of plus signs and text pages.

Zen Chic's new group quotes the poem...

"...caught between
a *strong* mind
and a
fragile
heart."
