

Little apples is all about what happens in the fall, the kids are playing in the park with their scarves flapping in the wind and singing rhyming songs, round and round they go, just like the seasons. The little apples are falling off the trees and spied by a tortoise who has momentarily peeked out from under his shell and decided to take a stroll. The leaves are swirling around on the wind, providing a brilliantly coloured backdrop to all the goings on, the beauty of fall is definitely here!
