Laser Cut Fusible Shapes for Appliqué

mo   da
"I still remember the feeling of getting a new box of crayons or a fresh package of paints; it was as if someone had captured a rainbow just for me to create with! In the *Over the Rainbow* collection I have tried to capture that rainbow of color just for you; from Sunrise reds, oranges, and yellows to Horizon blues and greens, I hope you will find this to be one of your favorite fabric groups. *Over the Rainbow* precut bundles and *Fabric Silhouettes* – laser cut appliqué shapes with pre-applied *Steam a Seam 2* fusible web – will provide you with all you need for your next quilting project."

Happy Quilting!
