

Quilt BLOCKS

by Ellen Lockett Baker

The **Quilt Blocks** fabric collection is inspired by the timeless quilt designs that have been passed down through generations of quilters, but here these classics are re-interpreted with a modern twist in three contemporary color palettes. Each design was hand-drawn digitally to give the collection an artistic, handmade quality differentiating the designs from others on the market.

Imagine all the different kinds of interesting quilts, clothing and home decor projects that can be made from this collection. These fabrics are a perfect fit for the modern sewer.
