Imagine the softest, lightest cotton fabric you've ever felt. Now imagine the fabric is awash in beautiful, finely-rendered floral prints in vibrant colors. You've just imagined **Regent Street Lawns 2016**. Cotton lawns are woven with fine carded yarns for a high-thread count that gives the fabric a silky smooth feel. Quilts, clothing or accessories, with thirty lovely prints and five near-solids to choose from, there isn't any need to just dream about such perfection.
