

Shibori II

Debbie Maddy of Tiori Designs

This collection celebrates the unique shades of blue – indigo. Shibori II is rooted in the ancient designs of Japan and Japanese Shibori artists, yet it contemporary and modern. Worked into a traditional quilt design, it could fit in with antique Boro stitched textiles. And used to make a modern quilt, Shibori will work in a contemporary home. The soft soothing blue shades of the sky and sea make this collection perfect for a baby quilt or pillows on a sofa, a focal piece or accents. The varied textures and patterns are bold enough to stand alone, or can easily be mixed with just a few other prints or solids.
