

Silver Linings in Color

◆◆◆◆◆ *Laundry Basket Quilts*

Silver Linings was one of my favorite collections of little prints. So now I am offering the prints in color, just like a fresh bouquet of flowers. From Bachelor Button blues to Primrose reds and Sunflower yellows, I would love for you to start picking your favorites and begin planning your quilter's garden. I have designed a Quilter's Patch Block of the Month for you to play in and pick flowers from. This pattern is perfect – not only do the wonderful colors spill into each piece of soft fabric like petals, but each step will include teachable moments.
