

Ten little things

Jenn Ski

Let's count along with **Ten Little Things**, Jenn Ski's debut collection by Moda. The main panel is made up of ten illustrations with numbers and pictures - great for a child's quilt and will be featured in an adorable project for a softy book for kids to practice counting and writing their numbers. The coordinating prints feature complementary patterns inspired by the main design - numbers, owls, toy trucks and other objects of whimsy. Jenn's designs are inspired by natural textures with a retro aesthetic, and have a fun, playful quality that children of all ages will enjoy.
