**Construction**

1. **CUT PANELS:**
   Cut the 12 panels into 7" squares. Don’t worry that the sides aren’t straight.

2. **Panel Blocks:**
   Select 4 matching corner triangles. Sew the triangles to the Panel square, sides first then top and bottom. Note the direction the Panel square is tilting in the quilt diagram.

3. **Appliqué:**
   Use your appliqué method of choice to assemble the partridge in the pear tree. Center and appliqué on the 20" Background square. Trim center square to 18½"x18½” after appliqué. Add 2–1½"x18½” Red borders to the sides, 2–1½"x20½” to the top & bottom. Press away from the center.

4. **Combine 4 blocks to make the top row, repeat to make the bottom row. See diagram for block placement.** Join 2 blocks for each of the side rows. Press all the rows in one direction. Add the side rows to the Appliqué block. Press away from the rows. Add the top and bottom rows.

5. **Sew the remaining borders to the quilt top. Always add the side borders first then the top and bottom borders. Always press away from the center of the quilt top. Add the borders in the following order:**
   - **Add borders, sides first then top & bottom:**
     - **Red borders:**
       - 2–1½"x40½"
       - 2–1½"x42½"
     - **Background borders:**
       - 2–3"x42½"
       - 2–3"x47½"
     - **Large borders:**
       - 2–5"x47½"
       - 2–5"x56½"
     - **Red borders:**
       - 2–2"x56½
       - 2–2"x59½
   - **Background:**
     - 5–3"xWOF strips
     - Sew the strips together end to end
     - Subcut 2–3"x42½" strips and
     - 2–3"x47½" strips for border
     - 1–20"x20" square for center
     - Trim to 18½"x18½" after appliqué
   - **Large borders:**
     - 6–5"xWOF strips
     - Sew the strips together
     - Subcut 2–5"x47½" strips
     - 2–5"x56½" strips
   - **Binding:**
     - 7–2½"xWOF strips

6. **Join 7–2½"xWOF Binding strips. Layer, quilt and bind. ENJOY!**
