*The number of squares and the number of light and dark fabrics in a charm pack varies with each collection. The "charm" of a charm quilt is the mix of fabrics and value. For the fabric requirements we are assuming charm square packs have $40-5" \times 5"$ squares and an equal mix of light and dark fabrics. Fabric requirements are also given for fat quarters. From each fat quarter cut $3-5" \times 22"$ strips then cut $12-5" \times 5"$ squares. All that said, let's make a quilt!

Charm Thursday

- 1** Just 1 block makes this charm quilt fun to do. Sew $1-2\frac{1}{2}'' \times 5''$ dark rectangle to $1-5'' \times 5''$ light charm square. Make 120. Sew $1-2\frac{1}{2}'' \times 5''$ dark rectangle to $1-2\frac{1}{2}'' \times 2\frac{1}{2}''$ light charm square. Make 120. Combine the units to make 120 pieced blocks.

- 2** Sew 12 pieced blocks together to make one column. Press in one direction. Make 10 columns. Join the columns, flipping the alternating columns. Layer, quilt as desired and bind. ENJOY!
