Two easy corner triangle units are used in the blocks. To make one, sew 1–2½" x 2½" light square on the diagonal to 1–2½" x 4½" dark rectangle. Press to the corner to make a triangle. Make 40. To make the other, sew one 2½" x 2½" dark square on the diagonal to 1–2½" x 4½" light rectangle. Press to the corner to make a triangle. Make 40.

*The number of squares and the number of light and dark fabrics in a charm pack varies with each collection. The "charm" of a charm quilt is the mix of fabrics and value. For the fabric requirements we are assuming charm square packs have 40-5”x5” squares and an equal mix of light and dark fabrics. Fabric requirements are also given for fat quarters. From each fat quarter cut 3–5”x22” strips then cut 12–5”x5” squares. All that said, let’s make a quilt!
To make Block A, sew 1–2½”x 4½” light rectangle and 1–4½”x 4½” light square to one of the previous units. Make 40. Sew 6–2½”x 4½” dark rectangles to 1–4½”x 4½” light square. Make 10. Combine these units with 4–4½”x 4½” dark squares to make Block A. Make 10.

To make Block B, sew 1–2½”x 4½” dark rectangle and 1–4½”x 4½” dark square to one of the previous units. Make 40. Sew 6–2½”x 4½” light rectangles to 1–4½”x 4½” dark square. Make 10. Combine these units with 4–4½”x 4½” light squares to make Block B. Make 10.

Two rows work together to make the quilt top. Both rows use 2 Block As and 2 Block Bs.
Row 1 begins with Block A – make 3 Row 1’s
Row 2 begins with Block B – make 2 Row 2’s
Sew the rows together. Layer, quilt as desired and bind. ENJOY
