**Quilters Basics**

Read instructions before beginning a project.
Label and sort pieces when cutting.
Press as you go. Press seams in one direction.

Finished Quilt: 76"x76"
Finished Block: 9"x9"

**Helpful Hints with Wovens:**
- Do Not pre wash fabric
- Press with a dry iron to avoid distortion
- Use a scant ¼” seam allowance
- Chain piece strips for consistent piecing

**Cutting**

*Hint: For easy piecing, label and sort the strips by set (A or B) and length.*

**Set A** – Fabrics 1 – 6
From each color in Set A cut:
15 – 1½"x WOF strips
Subcut 11 strips of each of the following lengths – 9½", 8½", 7½", 6½", 5½", 4½".
Total strips for Set A – 396.

**Set B** – Fabrics 7 – 11
From Fabric 7 cut:
23 – 1½"x WOF strips
Subcut 22 strips of each of the following lengths – 8½", 7½", 6½", 5½", 4½", 3½".
From each of the remaining colors in Set B (8-11) cut:
13 – 1½"x WOF strips
Subcut 11 strips of each of the following lengths – 8½", 7½", 6½", 5½", 4½", 3½".
Total strips for Set B – 396.

*Hint: When cutting strips of multiple lengths, always cut the longest first.*

**Setting and Corner Triangles**
From Fabric 12 cut:
2 – 14"x WOF strips
Subcut 5 – 14" squares cut twice diagonally for setting triangles
1 – 7¼"x WOF strips
Subcut 2 – 7¼" squares cut once diagonally for corner triangles

**Centers and Binding**
From Fabric 13 cut:
6 – 3½"x WOF strips
Subcut 61 – 3½" squares for centers
9 – 2½"x WOF strips for binding

**Backings**
- 4¾ yds
Block Construction – 61 Blocks

Note: The various fabrics are used once in every block with the exception of Fabric 7 and it is used twice. Press all seams away from center square.

With right sides together, stitch the following:
Step 1: Add a B3 strip to right side of Center square. Press.
Step 4: Add A5. Press.
Step 5: Add B5. Press.
Step 7: Add B6. Press.
Step 8: Add A7. Press.
Step 11: Add B8 Press.
Step 13: Square up block to measure 9½”x9½” with seams.

Repeat Steps 1-13 with remaining strips. As you sew, vary the color placement within each set. Make 61 quarter log cabin blocks. Each block should measure 9½”x9½” with seams.

Assemble Quilt

Piece blocks into rows beginning and ending with a setting triangle (note direction of setting triangles)

Make:
• 2 Row 1s – 1 block, 2 setting triangles & 1 corner triangle.
• 2 Row 2s – 3 blocks and 2 setting triangles
• 2 Row 3s – 5 blocks and 2 setting triangles
• 2 Row 4s – 7 blocks and 2 setting triangles
• 2 Row 5s – 9 blocks and 2 setting triangles
• 1 Row 6s – 11 blocks and 2 corner triangles

Press seams in odd number rows (1,3,5) to the left and seams in the even rows (2,4,6) to the right. This will allow seams to "nest" for easier piecing. Follow arrows on diagram.

Join 1 each of rows 1-6. Press. Then add remaining rows in reverse order 5-1. Press. Quilt top should measure 76½”x76½” with seams.

Finishing

Using a bias seam, join 9 –2½” wide Binding strips together end to end. Press seams open. Fold prepared strip in half wrong sides together. Press.
Layer, quilt and bind.
