Make 13 strip sets using Fabrics 1, 2 and 5-15.
2. Square up end of strip set and then cut 5-6½" x 8½" segments from strip set.
3. Repeat with remaining strips. Total 65 segments (58 used).

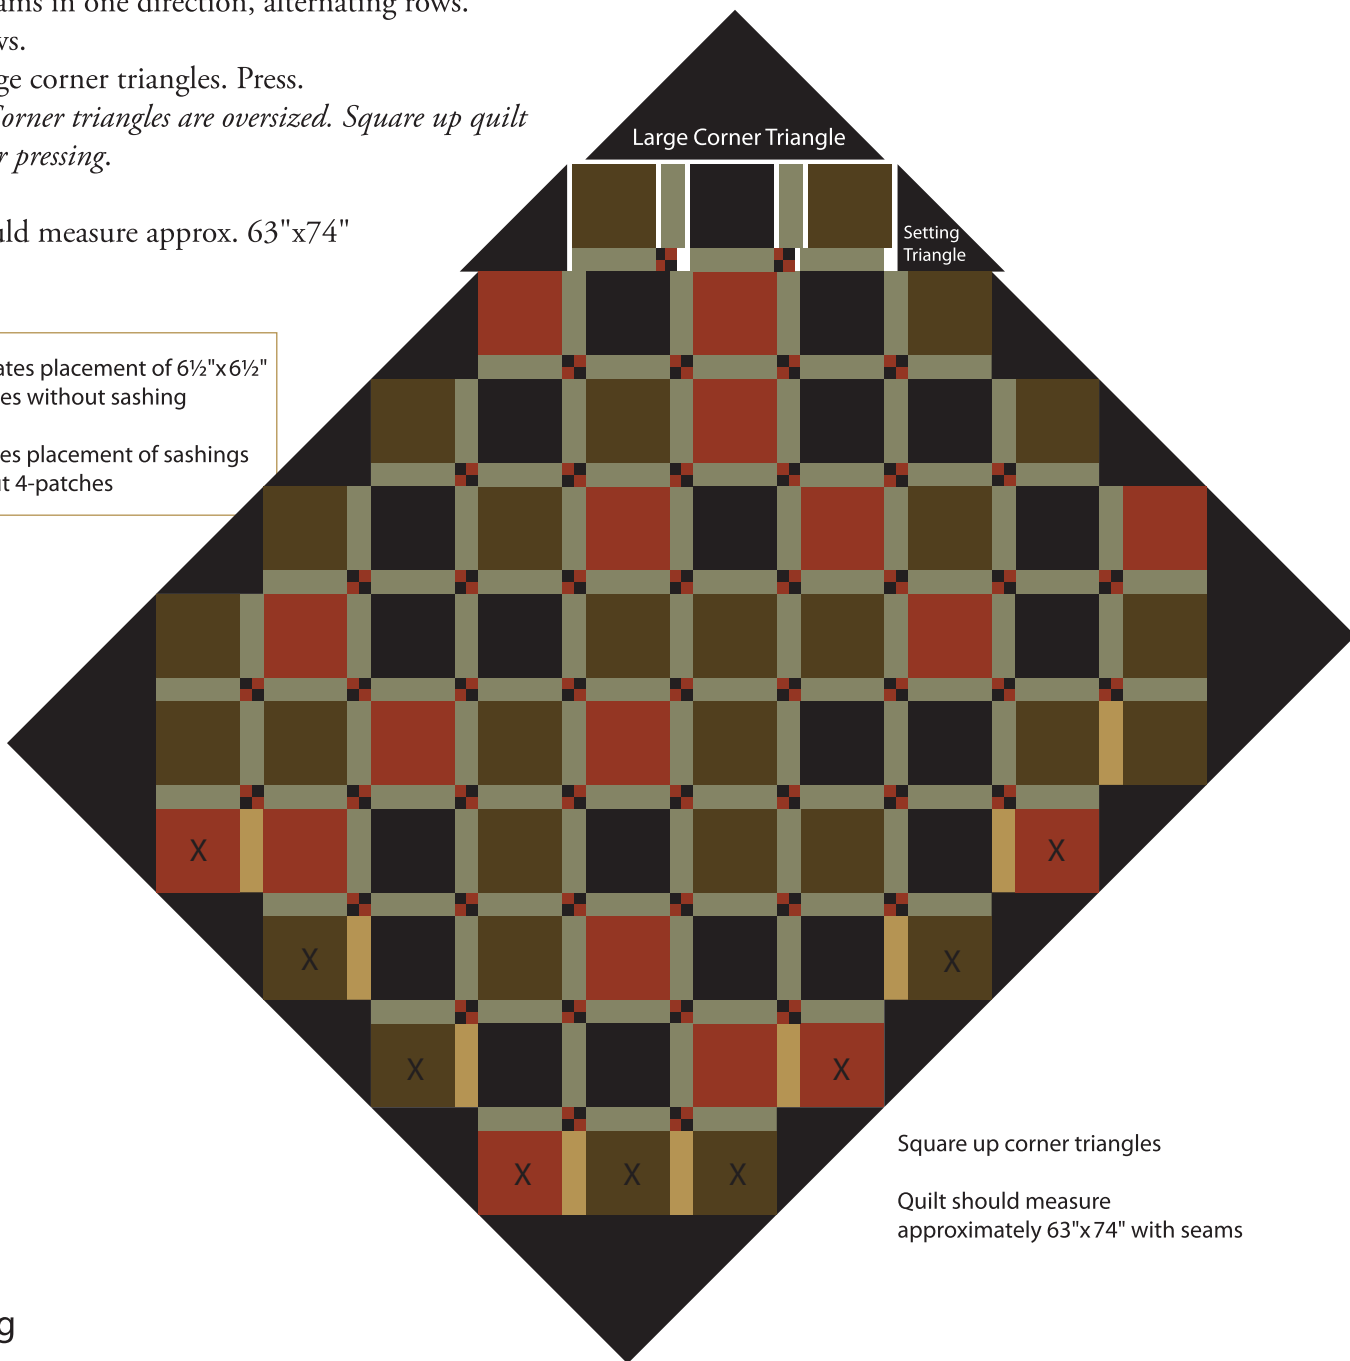

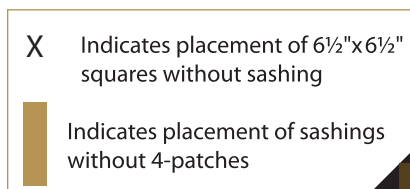

Assemble Quilt

Note: This quilt is easiest to work with if it is laid out on a design wall. Refer to quilt image for color placement, or create your own arrangement for a truly original quilt.

1. This quilt is assembled on the diagonal. *Note placement of 6½"x 6½" squares without sashing and the Fabric 4 sashings without 4-Patches.*
2. Stitch setting triangles, blocks and sashing/4-Patches together into row.
3. Press seams in one direction, alternating rows.
4. Join rows.
5. Add large corner triangles. Press.
Note: Corner triangles are oversized. Square up quilt top after pressing.

Quilt should measure approx. 63"x74"

Finishing

1. Using a bias seam, join the 8- 2½"x WOF binding strips end to end. Press seams open. Fold prepared strip in half wrong sides together and press to make the binding.
2. Layer, quilt and bind to complete quilt.
