**Construction**

**APPLIQUÉ CENTER SQUARE AND ADD CENTER BORDER**

1. Choose your favorite method of appliqué. Each letter of the alphabet is given and needs to be enlarged by approximately 400% before tracing for appliqué. *The templates do not include seam allowance.* Appliqué letter in the center of the background fabric and trim square to 14½" x 14½".

2. Sew Center Borders to center square – sides first then top and bottom.

**PINWHEELS – MAKE 32**

1. To make one pinwheel block, choose a set of (4) 4⅞" x 4⅞" squares – 2 of one color and 2 of another. Pair one square of each color right sides together – matching all edges. Using a pencil draw a diagonal line from corner to corner on the back of the lighter square. *See illustration.* Repeat steps for second pair of this set.

2. Stitch squares together ¼" on both sides of the drawn line. Cut on the drawn line, fold the half square triangle units open and press seam toward the darker fabric – yield 4 half square triangle units. Keep set together.

3. Repeat above steps to make 32 sets of 4 half square triangle units.

4. You will have made 4 half square triangle units of one color combination for each pinwheel block. Arrange as illustrated. Sew together to form a complete pinwheel block.

**Assemble Quilt**

1. Arrange pinwheel blocks and center appliqué block as illustrated. *Refer to illustration on back of project sheet.*

2. Sew pinwheel blocks together horizontally for rows 1, 2, 4, 5.

3. Sew 4 pinwheel blocks together to make 4-patch. To make Row 3 sew a 4-patch unit to opposite sides of the center medallion block.

4. Press seams for each row in one direction. Alternate pressing direction for each consecutive row. Sew rows together locking seams.

**Borders**

1. Add Inner Border strips – sides first then top and bottom.

2. Add Outer Border strips, in the same manner.
Applique
Using the templates at right, add as many flowers and leaves as you choose using your favorite appliqué method.

Finishing
1. Prepare the binding. Sew binding strips together, end to end. Press binding strips in half lengthwise with wrong sides together.

2. To quilt, layer and baste the quilt top, batting and backing. Quilt by machine or by hand. Apply the prepared binding to quilt.
