Larkspur
3 Sisters

Size: 84" × 84"

The busy lark, the herald of the day. Salutes now in her song the morning grey - Chaucer
For ease of piecing, sort pieces by size and color as they are cut.

Two different pieced units are used throughout this quilt – half square triangles (HSTs) and flying geese.

Refer to the charts on the previous page for fabric placement and follow the directions below to make 156 assorted flying geese for the 13 Star blocks and 96 assorted flying geese for the 12 T-Blocks.

How to Make Half Square Triangles (HSTs)
1. Using a mechanical pencil draw a diagonal line on the wrong side of all of the 24 – 6”x6” light Fabric 13 squares.
2. With rights sides together align and pair the marked Fabric 13 squares with a dark (Fabrics 5, 6, or 7) 6”x6” square.
3. Stitch a scant ¼” away from the marked line.
4. Cut on marked line to make 48 assorted half square triangle units. Press toward the dark fabric.
5. Trim units to measure 5½”x5½”.

How to Make Flying Geese
1. Using a mechanical pencil, draw a diagonal line on the wrong side of the 3” Geese Corner squares.
2. With right sides together align edges of marked square and 3”x5½” rectangle noting direction of marked line.
3. Stitch on the marked line. Trim ¼” from the sewn line. Trim away only the middle layer, do not cut away the background. This will help keep units square.
4. Press to the corner to form a triangle.
5. Repeat steps on opposite end to make a flying geese unit.

Refer to charts on the previous for fabric placement to make 156 assorted flying geese for the 13 Star blocks and 96 assorted flying geese for the 12 T Blocks.

Assemble Blocks
Assemble Blocks – cont.

Star Blocks – Make 12 plus 1 Center Star

1. Rows 1 & 3 – Stitch a 3” square inner corner block to opposite ends of an inner flying geese unit. Press seams toward arrow.
2. Add remaining inner flying geese units to opposite sides of center square. Note direction of geese. Press toward arrows. Block center should measure 10½"x10½” with seams.
3. Join Rows 1, 2, and 3. Press away from center.
4. Join the outer flying geese units end to end. Press. Make 4 pairs.
5. Stitch a 3” square outer corner block to opposite ends of two paired flying geese units. Press seams toward arrows.
6. Add remaining 2 stitched flying geese pairs to opposite sides of center star. Press toward arrows. Geese should point outward.
7. Join Rows 4, 5 and 6 to complete block. Star Block should measure 15½"x15½” with seams.
8. Repeat steps to make 4 each of Star Blocks 1, 2 and 3 and 1 Center Star Block.

Each Star block requires: 1 center square, 4 inner flying geese units, 4 inner corner squares, 8 outer flying geese units and 4 outer corner squares. Refer to diagram above.

T-Blocks – Make 12

2. Add half square triangle units to opposite ends of two flying geese pairs. Press toward arrows.
3. Row 2 – Stitch the remaining flying geese pairs to opposite sides of the center square. Note direction of flying geese. Press toward arrows.
4. Join pieced rows together. Press. T-Blocks should measure 15½”x15½” with seams. Make 4 each of T-Blocks 1, 2 and 3.

Each T-Block requires: 1 center square, 4 HST corner units, and 8 flying geese units. Refer to diagrams above.

moda
**Assemble Quilt**

Refer to diagram on the right for block placement.

Piece 5 rows each with 5 blocks.
Three rows begin with a Star block and two begin with a T-block.
Press rows in opposite directions. Follow the arrows.

**Inner Border**

Using a straight seam join the 8-3½”xWOF Fabric 1 strips into four sets of two. Press.

1. Measure the assembled quilt top from top to bottom through the center. Cut two pieced inner border strips to that measurement (approx. 75½”). Add strips to opposite sides of the quilt top. Press toward inner border.

2. Measure the quilt top through the center from side to side including the inner borders. Cut the remaining 2 pieced inner border strips to that measurement (approx. 81½”). Add to top and bottom of the quilt. Press toward the border.

**Outer Border**

Stitch the 8-2”xWOF Fabric 2 border strips into four sets of two. Press.

Repeat the measurement Steps 1& 2 above.
Cut 2–2”x approximately 81½” outer border strips. Add to opposite sides of quilt top. Press toward outer border.
Cut 2 remaining outer border strips to measure approximately 84½”. Add to top and bottom to complete the quilt. Press toward outer border.
Quilt top should measure 84½”x84½” with seams.

**Finishing**

Using a diagonal seam, join the 9 – 2½”xWOF strips end to end. Press seams open.
Fold prepared strip in half wrong sides together and press to make the binding.
