Construction

Half Square Triangles (HST) – The following steps apply to all half square triangle units in this quilt.

1. Using a mechanical pencil draw a diagonal line on the wrong side of all 3½"x3½" Fabric 4, 5 and 6 squares.
2. With right sides together, align edges of Fabric 3, 7, 8, or 11 (3½"x3½") squares with their marked light square.
   See diagram below for fabric combinations.
3. Stitch ¼" on opposite sides of marked line.
4. Cut on marked line. Press toward dark side. Square up half square triangle units to measure 3"x3" with seams.
Piecing a Basket Block

The following parts are needed for each basket block:
1 – 3”x3” background square, 1– 3”x3” print square, 4 half square triangle (HST 1, 2, 3, 4, 5, or 6) units, 4 – 3¾” triangles and 1 – 10½” basket triangle.

Refer to the chart below for the quantity for each block and fabric placement. Make a total of 36 blocks.

Press seams toward border. **Note:** Flowers in border strips should be running in opposite directions as the border flowers will “chase” each other around the quilt top.

2. Measure quilt top from side to side including the borders. Cut the 2 outside border strips to that measurement (approx. 76½”). Add to top and bottom of quilt. Press toward border. Quilt should measure 76½” x 76½” with seams.

**Finishing**

Using a bias seam, join the 9 – 2½” x WOF strips end to end. Press seams open. Fold prepared strip in half wrong sides together and press to make the binding.
