Quilt Construction

1. Sew 20–2½” x 10” assorted strips together to make one Border. Make 2.

2. Mark a 20” x 40” rectangle in the center of the Background using a water soluble pen. Follow the directions on the fusible web. Cut out, arrange then appliquéd the letters on the Background. (There are 26 lower case letters and a “?”) Trim the Background to measure 20½” x 40½”. Add the Borders to the sides.

3. Join the 4–2½” x WOF strips for the Binding. Layer, quilt and bind the quilt. ENJOY!

*Appliquéd: Prepare your sewing machine for appliquéd by using invisible nylon in the top and cotton thread in the bobbin that matches the background fabric. Set your machine to sew a small ½” zigzag stitch. Position the needle on the edge of the letter, so that most of the stitch is on the letter, just the width of the needle on the background.
