

how to create  
a simple  
*pillow*  
using  
cloth napkins

**finished pillow size**  
19" x 19"

**supplies:**

- 2 - 20" x 20" napkins
- thread
- hand-sewing needle
- 2¼ yards of rick-rack
- 20" x 20" pillow form
- straight pins
- iron
- sewing machine

**step 1:** With right sides of the napkins facing, sandwich rick-rack between all sides and pin in place.

**step 2:** Sew all four edges of the pillow, leaving a 12" opening at the center of the fourth side. This means you will begin sewing 4" in from the edge of the fourth side. as shown.

**step 3:** Once you have sewn all edges, clip the corners to reduce any bulk.

**step 4:** Press all four seams and turn pillow right side out.

**step 5:** Insert the pillow form.

**step 6:** Hand-stitch the open edge closed making sure the rick-rack is sandwiched in the middle.

**step 7:** Now enjoy your easy to make pillow!
