Construction

**Pinwheel Blocks**

1. Using a mechanical pencil draw a diagonal line on the wrong side of the 46 – 4"x4" Fabric 1 squares.
**Construction – cont.**

2. With right sides together pair marked background squares with the 46 – 4” squares from Fabrics 2-5.

3. Stitch a scant ¼” on opposite sides of the marked line.

4. Cut on marked line to yield 92 half square triangle units. Press away from background.

5. Trim units to measure 3½”x3½” with seams.

Make 23 pinwheel blocks – 6 Lavendar, 7 Red, 4 Taupe and 6 Blue. Blocks should measure 6½”x6½” with seams.

**Assemble Quilt**

Stitch the blocks into rows –9 blocks per row. Press odd number rows in one direction and even number in the opposite direction. Refer to diagrams below for content of each row – label rows.

Refer to quilt image for color placement. Join rows to assemble quilt top. Press.

### Borders

*Note: Border is designed to "chase" around quilt top. Please note direction and placement of flower motif.*

1. Measure width of quilt top from side to side through center of quilt.
2. Cut 2 border strips to that measurement (approx. 54½") and add to top and bottom of quilt top. Floral motif should be facing in opposite directions. Press.
3. Measure width of quilt top from top to bottom including border strips.
4. Cut remaining 2 border strips to that measurement (approx. 76½") and, noting direction of floral motif, add to opposite sides of quilt top. Press.

Quilt should measure 70½" x 76½" with seams.

### Finishing

Using a bias seam, join the 8 — 2½" x WOF strips end to end. Press seams open. Fold prepared strip in half wrong sides together and press to make the binding.
