**Making Easy Corner Triangles:**

Draw a diagonal line on the wrong side of the square. Sew on the diagonal line. Cut the square ¼” away from the diagonal seam. Press towards the corner to form the triangle.
**Construction:**

**Block A:**
Block A is the pink star. Follow steps #1 & #2 to make ONE Block A. Repeat the steps 13 times to make the 13 Block A star blocks.

1. To make ONE Block A: use 8–2½” x 2½” and 1–4½” x 4½” of one pink fabric. Use 4–4½” x 3½” and 4–3½” x 3½” of one background fabric. Sew the 8–2½” x 2½” pink squares to the 4–4½” x 3½” background rectangles using easy corner triangles.

2. To assemble ONE Block A: use 4–3½” x 3½” of one background and the previous units. Sew together in rows noting the pressing directions.

**Block B:**
Block B is the background star. Follow steps #3 & #4 to make ONE Block B. Repeat the steps 12 times to make the 12 Block B star blocks.

3. To make ONE Block B: use 8–2½” x 2½” and 1–4½” x 4½” of one background fabric. Use 4–4½” x 3½” and 4–3½” x 3½” of one pink fabric. Sew the 8–2½” x 2½” pink squares to the 4–4½” x 3½” background rectangles using easy corner triangles.

4. To assemble ONE Block B: use 4–3½” x 3½” pink and the previous units. Sew together in rows noting the pressing directions.
**Half Square Triangle Border:**
The half square triangles are made from an assortment of all of the fabrics in the quilt.

1. To make the half square triangle blocks: use 56–2⅞”x2⅞” pink squares and 56–2⅞”x2⅞” background squares. On the back of the background triangle, draw a diagonal line. Put a pink and a background square right sides together and sew ¼” on each side of the line. Cut the pair on the drawn diagonal line. Press the two triangles open towards the pink. Make 112 half square triangles. From the remaining background squares cut 4–2½”x2½”.

2. To make the half square triangle borders: use 4–2½”x2½” background squares and the 112–half square triangles. For each of the top and bottom rows, sew together 28 half square triangle blocks and 2–2½”x2½” background squares. Note the direction of the triangles in the diagram.

For each of the side rows, sew together 28 half square triangle blocks. Note the direction of the triangles in the diagram.
