To wish you all the joys of the holiday season, the Sisters have gathered a collection of their favorite vintage postcards from Christmases past.

The panel features these lovely postcards while a coordinating collage of aged postmarks and well wishes expresses their Sentiments.

Celebrate their fondness for Christmas traditions along with lavish poinsettias, delicate paisleys, scrolling holly branches and winter birds. Warm shades of crimson, mistletoe, and snowy, soft skies portray the Sisters’ classic vision of sophistication for the holidays.
