Construction

1 Churn Dash
To make one block:
Select a set of 2 matching 4” HSTs and 2–2” x 10” strips.
(A) Join 1–2” x 10 churn dash and 1–2” x 10 background strips as shown. Make 2 strip sets. From the strip sets cut 4–3½” wide units.

(B) For one block you will have 4 HSTs, and 4 matching units. Keep together.

(C) Make churn dash sets using the previous unit and 1–3½” background square. Join the center only. Make 25 sets.
There is a coloring sheet, on page 3, you can use to decide on print placement or use your design wall. As you layout the quilt, sew the half-square triangles together first; trim the half-triangle squares to 3½” x 3½”.

Assemble the HTS first.

Sew the quilt together in rows as shown. Press the seams open. Join the rows. Layer, quilt and bind.
