Quilt Construction

Note: Each Main Block is made up of one Dark & one Medium Main Block print and the White Background.

To make one block, select one Dark and one Medium Main print.

(A) Sew 1–2½”x 10” Main Dark and 1–2½”x 10” White strip together.
Cut into four 2½” wide units. (If you run short, cut a 2½”x 10” White strip and make another strip set). Combine with 1–4½”x 2½” White rectangle.
Make 2–Block A and 2–Block B.

(B) Layer one Main Dark & one Medium 4½” square right sides together.
Draw a diagonal line on the back of the Medium square. Sew ¼" on each side of the diagonal line. Cut on the line and press open. Repeat. Make 4 Block C.
(C) Combine 2–Block A, 2–Block B, 4–Block C and 1–4½"x4½" White square to make one Main Block. See diagram. Repeat to make 16 Main Blocks.

(C)

```
A → C → B
C → 4½" → C
B → C → A
```

Main Block
Repeat to make 16 blocks.
12½"x12½" with seams

2 Combine 4 Main Blocks to make a row. Note the rotation of the blocks.
Make 4 rows. Add the 2½" wide White Borders, sides first then top and bottom. Add the 3½" wide Final Borders, sides first then top and bottom. Measure across the center of the quilt for the best measurements for the length of the borders. Sew the 7–2½"x WOF Binding strips together.
Layer, quilt and bind. ENJOY!
