Assembly continued:

Assemble the quilt top, starting from the center: Four star blocks for the center of the quilt top plus two rows of sashing, one zigzag pattern row plus two rows of sashing and one row of half star blocks.

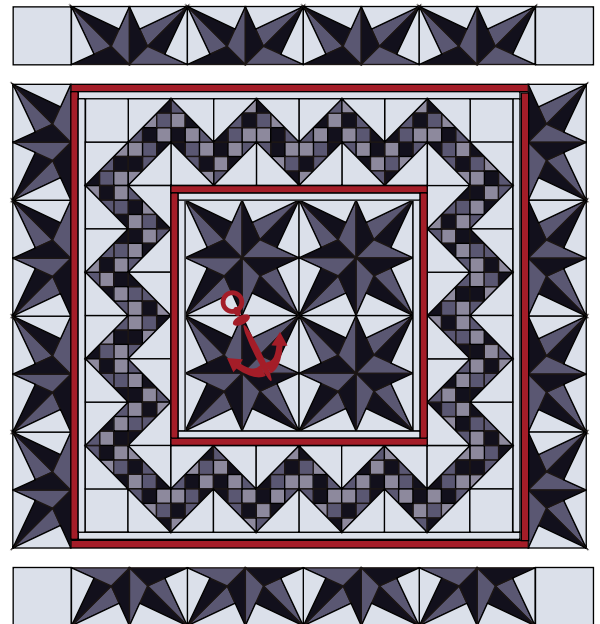

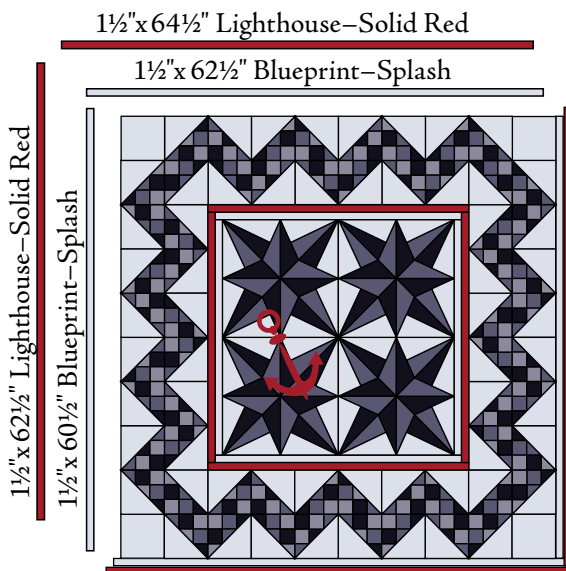

- 3 Four star blocks make the center of the quilt top. To the 4 star block, add $1\frac{1}{2}$ " x $32\frac{1}{2}$ " to the sides and $1\frac{1}{2}$ " x $34\frac{1}{2}$ " blueprint-splash borders to the top and bottom. Then add $1\frac{1}{2}$ " x $34\frac{1}{2}$ " to the sides and $1\frac{1}{2}$ " x $36\frac{1}{2}$ " lighthouse-solid red borders to the top and bottom. Add the remaining zigzag sections to the sides and the expanded zig zag sections to the top and bottom.

After 4 center star blocks are assembled, use enclosed templates to prepare and applique red anchor.

- 4 Add $1\frac{1}{2}$ " x $60\frac{1}{2}$ " to the sides and $1\frac{1}{2}$ " x $62\frac{1}{2}$ " blueprint-splash borders to the top and bottom. Then add $1\frac{1}{2}$ " x $62\frac{1}{2}$ " to the sides and $1\frac{1}{2}$ " x $64\frac{1}{2}$ " lighthouse-solid red borders to the top and bottom. Add the shorter half star block sections to the sides and the longer sections to the top and bottom of the quilt top.

- 5 Layer, quilt and enjoy!

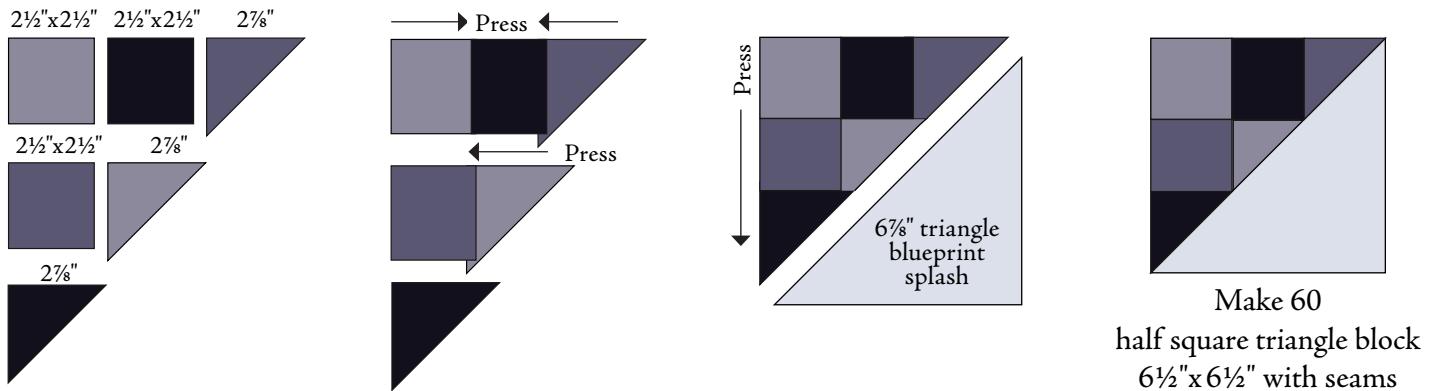

Construction continued:

HALF SQUARE TRIANGLES BLOCKS:

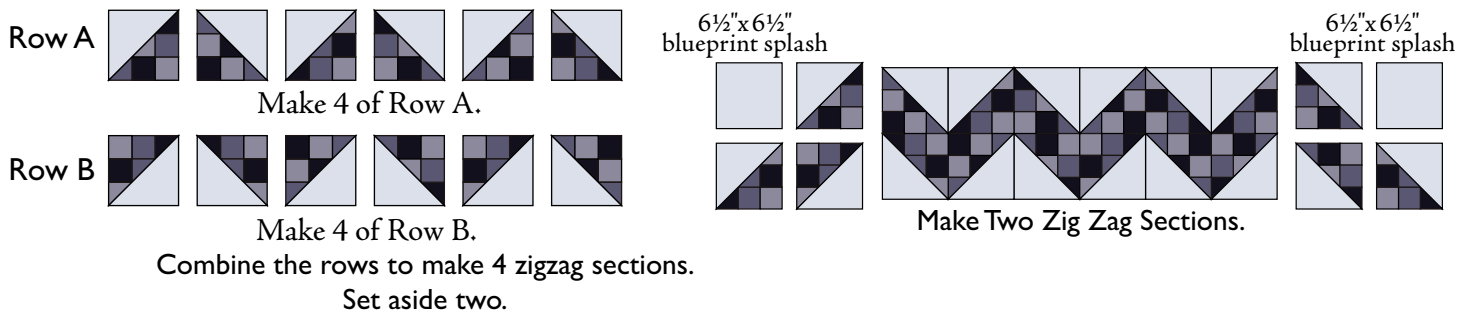

The half square triangles blocks have one large solid triangle and one large triangle that is made up of randomly selected squares and small triangles.

- 1 Use an assortment of $2\frac{1}{2}$ " squares and $2\frac{7}{8}$ " triangles to make the scrappy triangles.
Add one $6\frac{7}{8}$ " blueprint-splash triangle to the scrappy triangle. Make 60 half square triangle blocks.

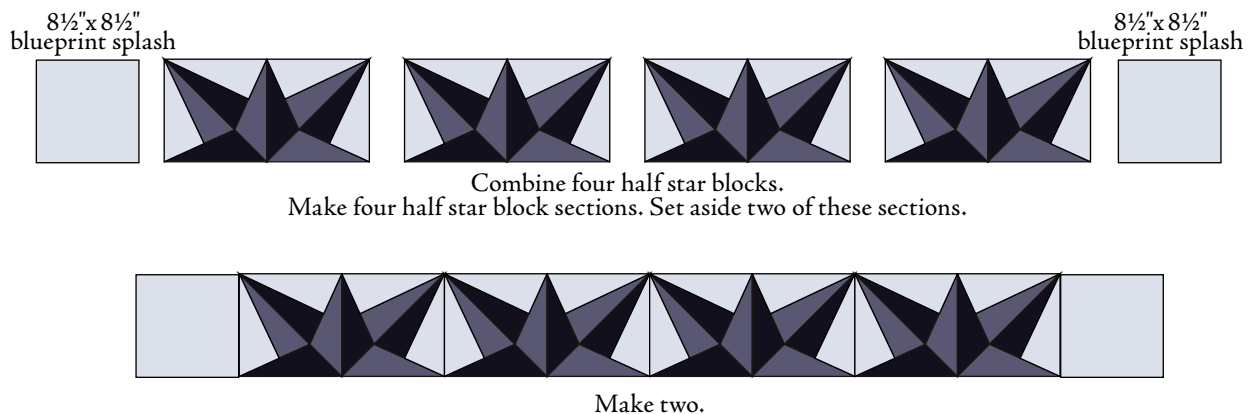

Assembly:

- 1 Assemble half square triangle blocks to make rows. Combine the rows to make the zigzag pattern in the quilt top. Set aside two of the zigzag sections. Add additional half square triangle blocks and $6\frac{1}{2}$ " x $6\frac{1}{2}$ " blueprint-splash squares to the remaining two sections.

- 2 Sew together four half star blocks. Make four. Set aside two of these half star block sections. Add to the other two sections, two $8\frac{1}{2}$ " x $8\frac{1}{2}$ " blueprint-splash squares. Make two.

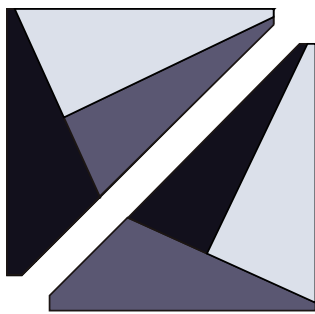

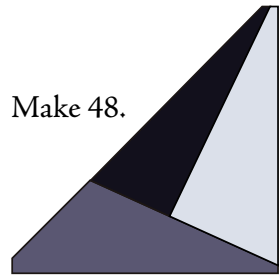

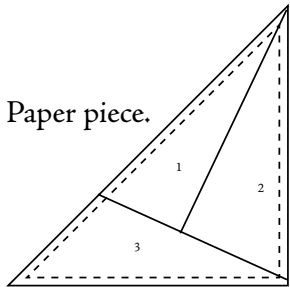

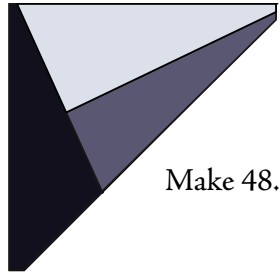

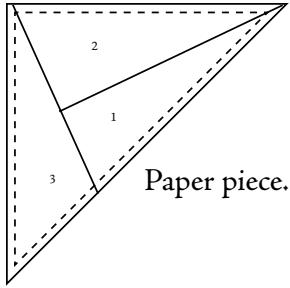

Construction:

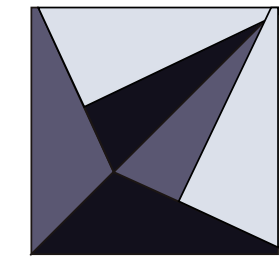

PAPER PIECING:
