Construction

**Pieces for Blocks**

**Half Square Triangle Units**

1. Using a mechanical pencil draw a diagonal line on the wrong side of
   6 – 4 7/8” x 4 7/8” Fabric 4 squares and 4 – 4 7/8” x 4 7/8” Fabric 5 squares.

2. Pair 4 marked Fabric 4 squares with the the 4 Fabric 6 squares and 2 Fabric 4 squares with 2 Fabric 8 squares. Then pair 4 Fabric 5 squares with 4 Fabric 7 squares. *See diagram.*

3. Select 1 pair. Align edges with rights sides together. Stitch ¼” on each side of the marked line.

4. Using a rotary cutter, cut on marked line. Press seams toward dark. Each half square triangle unit should measure 4½”x4½” with seams.

5. Repeat Steps 3 & 4 with remaining pairs to make a total of 20 half square triangle units.

**Strip Units**

Using a mechanical pencil draw a diagonal line on the wrong side of all 2½”x2½” squares – 60 total. *(12 – Fabric 4; 8 – Fabric 5; 16 – Fabric 6; 16 – Fabric 7 and 8 – Fabric 8)*

**8½” Border Strips – (12) Fabric 2 and (8) Fabric 3**

1. Select 1 green 2½”x8½” strip and 1 marked – 2½”x2½” from Fabric 6 or 8.

2. With right sides together align edges. Position marked square to place beginning of line in the upper left hand corner. *See diagram.*

3. Stitch on marked line.

4. Trim away extra fabric on the right side of the stitch line leaving a ¼” seam allowance.

5. Press triangle toward right corner.

6. Repeat steps using red 8½” strips.

*moda*
6½” Border Strips – (12) Fabric 2 and (8) Fabric 3

1. Select 1 green 2½”x6½” strip and 1 marked – 2½”x2½” from Fabric 6 or 8.
2. With right sides together align edges. Position marked square to place beginning of line in the upper right hand corner. See diagram.
3. Stitch on marked line.
4. Trim away extra fabric on the left side of the stitch line leaving a ¼” seam allowance.
5. Press triangle toward left corner.
6. Repeat steps using red 6½” strips.

4½” Center Strips – 20 Total

1. Pair the remaining 2½”x2½” background (Fabric 4 or 5) squares with the 4½” Center Strips from Fabrics 6, 7, and 8.
2. Repeat the Steps for the 6½” strips above using the following pairs – (8) Fabric 4/6; (8) Fabric 4/8 and (4) Fabric 5/7.

Assemble Block Sections – 20 Total
For each section choose (1) 8½” border strip, (1) 6½” border strip, (1) 4½” center strip, (1) 6½” background strip and (1) half square triangle unit.

2. Add 6½” background strip to top of unit. Press seam toward background strip.

3. Add 6½” border strip to left side of unit. Note direction of triangle end of strip. Press toward 6½” strip.

4. Join 8½” border strip to top of pieced unit. End triangle is above background strip. Press seam toward center.

5. Follow Steps 1-4 to make 20 Block Sections. Sections should measure 8½”x8½” with seams.
**Assemble Blocks – Make 5**

1. Select 4 like sections. To avoid confusion, arrange sections before stitching. Rotate each section ¼ turn clockwise to align triangle points.

2. Stitch and press. Each block should measure 16½” x 16½” with seams.

**Prairie Points – Make 14**

Fold all 14 – 5½” x 5½” prairie point squares in half diagonally twice and press.  
*Hint: Spraying the wrong sides of the squares with temporary fabric adhesive before folding will help prevent slipping.*

**Applique Holly Leaves and Berries**

*Use the enclosed templates to prepare holly leaves and berries. Templates are full sized. Applique the leaves and berries using your favorite applique method. Applique the individual blocks before assembling the bed runner.*

- Cut 15 from assorted reds, greens, browns and golds
- Cut 6 green and 4 red
- Templates do not include seam allowance
Assemble Bed Runner

Assemble Bed Runner
1. Join 5 blocks together alternating green and red. For the table runner join 3 blocks alternating red and green. Press.

Borders
1. Measure pieced row of blocks from end to end thru the middle (approx. 80½"")
2. Using a bias seam, join 5 – 4½"x WOF border strips together end to end. Press seam open.
3. Cut 2 long side border strips to the measurement from Step1.
4. Add long borders to opposite sides of pieced block row. Press.
5. Measure bed runner top from side to side including borders.
6. Cut 2 – 5¾" strips to that measurement (approx. 24½") as well as 2 – 1¼" red accent strips.
7. With right sides together stitch red accent strip to 1 side of each end border strip. Press.
8. Add pieced end borders to opposite ends of bed runner. The red accent strip should be on the outside edge. Press. Bed Runner should measure 24½"x92½" with seams.

Finishing
1. Layer top, batting and backing. Quilt as desired.
2. Join 5 – 2½"x WOF strips together end to end using a bias seam. Press seams open. Fold prepared strip in half wrong sides together and press to make binding.
3. Trim quilted bed runner and bind the two long sides using the prepared binding.
4. Measure the width of the bound runner, including the binding.
5. Cut 2 – 2½" red strips to that measurement plus ½" for finishing.
6. Fold ends under ¼". Press. Then fold strips in half wrong sides together to make finishing strip.
7. Arrange 7 prairie points along both ends of the quilted and trimmed bed runner. Tuck folded side of prairie point inside its neighbors’ “flaps” to adjust spacing. Align edges of prairie points and red accent strip. Prairie points should be facing towards the center of the runner aligned with bound edges of runner. Baste in place.

8. Align edges of prepared red finishing strip and long side of prairie points. Folded edge of finishing strip should face the center. Stitch using a ¼” seam allowance.

9. Fold finishing strip to back of bed runner and stitch folded edge to back of runner using a needle and thread. Prairie points will point outward.

Directions for Table Runner

The table runner is created using 3 blocks instead of the 5 used in the bed runner. Look for the asterik for parts that are used only in bed runner. All other units are used in both projects – only fewer units are made for the different blocks.

If you choose to make the Table Runner, these are the adjustments you will need to make:

**Cutting**

**Fabric 1 White Cardinal Print**
5 – 4½” x WOF strips for borders
3 – 2½” x WOF strips for binding

**Fabric 2 Green Swirl**
1 – 5½” x WOF strip
   Subcut 6 – 5½” x 5½” squares for prairie points
2 – 2½” x WOF strips
   Subcut: 4 – 2½” x 8½” strips and 4 – 2½” x 6½” strips for block borders
Use remainder for applique

**Fabric 4 Green Toile**
1 – 2½” x WOF strips
   Subcut: 4 – 2½” x 2½” and 4 – 2½” x 6½” strips for

**Fabric 6 Red Holly Print**
2 – 5½” x WOF strip
   Subcut 8 – 5½” x 5½” squares for prairie points and 2 – 4½” x 4½” squares for half square triangle units
2 – 2½” x WOF strips
   Subcut: 8 – 2½” x 2½” squares and 8 – 2½” x 4½” strips

**Borders**
End borders are cut from 4½” strips instead of 5¼” strip used in bed runner.
