

New! 

Proudly introduces **AMERICAN Spirit** - a unique line of batting developed exclusively for the independent quilt shop.

- Easy to read icons help the quilter decide on a batting.
- Flat packages for easy pegging and storing.

Premium Polyester Batting

- 100% **POLYESTER**. Resin bonded to prevent fiber migration.
- Mid loft, light weight and easy to needle by hand or machine.
- Washable and non-allergenic.
- Recommended quilting distance is 2" to 4" apart.

Premium Poly Batting

 Retail \$7.90

Classic Cotton Batting

- 100% **NATURAL COTTON**, low loft.
- Needle punched and bonded to prevent fiber migration.
- Recommended quilting distance is 2" to 4" apart by hand or machine.
- Hand quilters will love the ease of needling with this batting.
- No need to presoak, estimated shrinkage is 2 - 3%.
- Creates a flat "antique" look when the finished quilt is washed and the batting gently shrinks.
- Wash on gentle cycle with warm water and mild detergent. Air dry.

Luxury Blend Batting.

- A luxurious blend of 50% **BAMBOO** and 50% **NATURAL COTTON** makes this a light “summer weight” batting that is supple and soft with a natural drape.
- Needleponched to a light scrim for stability.
- No need to presoak, estimated shrinkage is 2 - 3%.
- Recommended quilting distance: up to 8” apart.
- Machine wash finished quilt on gentle cycle with mild detergent, air dry. May be dry cleaned.

Superior Blend Batting.

- A balanced blend of 70% **NATURAL COTTON** and 30% **POLYESTER**, low loft.
- Needleponched through a light scrim that provides stability, making it a great choice for quilting on a longarm machine.
- Recommended quilting distance: up to 8” apart.
- No need to presoak, the estimated shrinkage is 2 - 3 %.
- Non-allergenic.
- Machine wash finished quilt on gentle cycle with mild detergent, air dry. May be dry cleaned.
