## Write & Rub Starter Set

Write & Rub Foiling pen is a brilliant tool to apply foils **WITHOUT ANY HEAT**. **ACID-FREE** adhesive pen will not dry up the nib. Writes just like a ball point pen. Just write the adhesive on your favorite project let dry. The adhesive stays tacky when dry. Place foil, color side up on the dried adhesive and rub. Presto your project is been **FOILED** without any fuss and no heat required. Use to decorate hard surfaces such as paper, wood, cardboard, ceramic, metal and glass. Also great for embellishing quilting and sewing projects on high thread count materials. Set consists of 1 Foiling Glue Pen with instructions and 16, 4" x 4" inch assorted foils ranging from exotic multicolored foils to gold and silver. Adhesive is non toxic. Pens have a two year shelf life even with the cap left off!

## Write & Rub Creative Foiling Pens
