

Quilt Display Stand with Carrying Case

Safely Exhibit Quilts the Professional Way

- The telescoping legs or uprights and crossbar extend up to 8'10" high and 9'6" wide for a custom fit.
- The crossbar can be adjusted to match the exact width of the quilt on display, you are not limited by pre-set lengths.
- Weighs 17 pounds and is easy to assemble.
- Breaks down to just 44" in length and is stored in its own custom carrying case .
- The sturdy steel construction will safely display quilts up to 25 lbs in weight.
