

Creative Curves

Creative Curves Ruler 3"

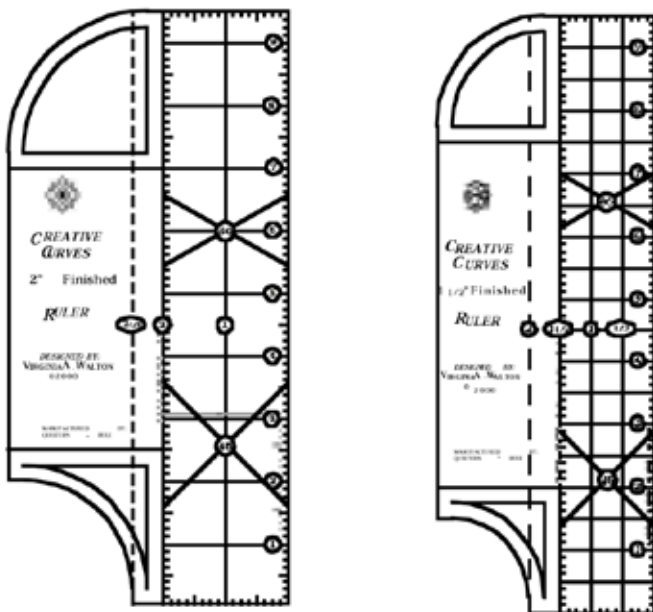

- Based on a half-square triangle for a 3" finished square and makes circular curved quilts
- Use with any 4-Patch Block or Quilt that has half-square triangles
- Simply change the diagonal straight line to a curved line (inside or outside) for a new 'look' to the traditional block
- Three designs, one Wallhanging and 2 Blocks, come with the Ruler "INSERT"
- Includes basic cutting and sewing instructions and step-by-step graphics for the Wallhanging and Blocks
- Can also be used for "Drunkard's Path" Patterns.

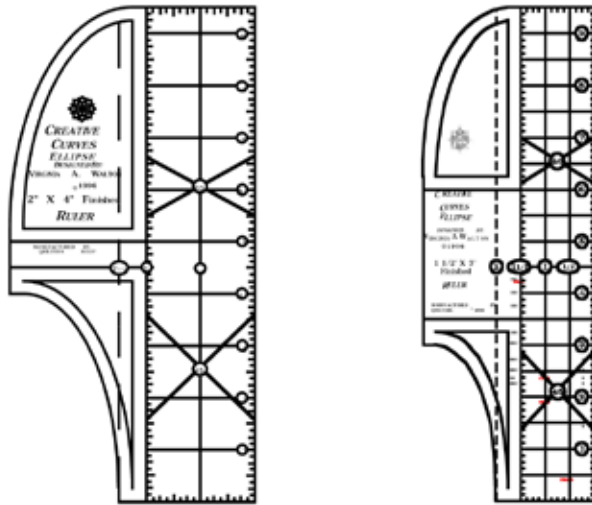

Stock # WO26R

Creative Curves M-Ruler Set

- 1 1/2" & 2" Ruler Set (circular curves)
- Based on either a half-square triangle for a 1 1/2" finished or 2" finished square.
- The 2" Ruler can be used to change the smaller quarter-square triangles in any 9-Patch Block or quilt that has half-square triangles.
- The 1 1/2" RULER can be used to change the smaller quarter-square triangles in any 4-Patch Block or Quilt. Simply change the diagonal straight line to a curved line (inside or outside).
- Three designs come with each Ruler "INSERT"
- Basic cutting and sewing instructions as well as step-by-step graphics for the patterns included
- Can also be used for "Drunkard's Path" Patterns.

Stock # WO29R

Creative Curves E-Ruler Set

- 1 ½" x 3" and 2" x 4" - oval curves
- Based on either a half-rectangle triangle for a 1 ½" X 3" finished or 2" X 4" finished rectangle.
- Three designs come with each ruler "INSERT"
- The 1 ½" X 3" Ruler can be used with any 4-Patch Pattern or Block that has half-rectangle triangles
- The 2" X 4" ruler can be used with any 9-Patch Pattern or Block that has half-rectangle triangles. Simply change the diagonal straight line to a curved line.
- Includes basic cutting and sewing instructions and step-by-step graphics for the patterns.

Stock # WO42R

The MULT-ANGLE, WEDGE RULER is a completely different (non-curve) tool for quilters.

- Make blocks and quilts that combine different Angles (wedges).
- Includes 5, 9, 10, 15, 18, 20, 25, 30, 36, 40, 45, 50, and 60 degree angles
- Provides the ability to first design an original block or quilt, then using a Chart that gives the size of rectangle or square to cut first, cut the triangles (2 identical triangles per rectangle or square) for the Angle that is desired
- Includes a Sampler Pattern booklet with 9 original Blocks plus an additional Pieced Square in the Border, a page of Basic Instructions with extensive graphics showing 'how to' cut and sew with the Ruler, and 2 Charts, one for Side Wedges and one for Corner Wedges.
- Will also make any block or quilt that has half-square triangles
