HEAT Press Batting Together

100 YDS
NEW LARGE ROLL PERFECT
FOR PROFESSIONAL
LONGARM QUILTERS!

Quilters!
We don't have to sew the
batting edges
together anymore!!!
We can just FUSE it!

HEAT Press Batting Together is a cloth tape that was developed to fuse batting-fabric together to fit a specific size, to enlarge or reinforce. It's soft, it's thin, it's needle easy for hand or machine quilting.

No more waste!
Now you can use up those left over pieces of batting.
